CAREER GOALS AND OBJECTIVES

My goal is to graduate with a masters degree in the field of Aerospace Engineering and work at NASA's Jet Propulsion Lab.

EDUCATION

Dublin High School, Dublin CA

Graduation Year of 2023 (Diploma in Progress)

- ❑ Cumulative GPA: 4.15
- ❑ Relevant Coursework: Computer Science Principles, Principles of Engineering, Introduction to C++ Programming, Spanish III, Advanced Algebra 2, Honors Chemistry, Precalculus,
- ❑ Colleges Of Interest: Stanford University, Purdue University, University of California Los Angeles, Duke University
- ❑ Preferred Program of Study: Aerospace Engineering

WORK EXPERIENCE

Kuk Sool Won, Dublin CA

October 2017 - PRESENT

- ❑ After getting my black belt in October of 2017, I began helping kids learn Martial Arts and also conducted classe
- ❑ Also had to judge belt testings for lower ranking students.

California Tamil Academy, Pleasanton CA

September 2019 - March 2020

- ❑ Since graduating from the California Tamil Academy (a language school), I have returned to my school as an assistant teacher and have been teaching young kids the basics of reading and writing tamil

Alameda County Library, Dublin CA

June 2019 - August 2019

- ❑ Over the summer of 2019, I volunteered at the Alameda County Library by helping organize certain events and games and also promote a summer reading game for young children

Sai Baba Temple, Pleasanton CA

June 2019 - Present

- ❑ Every 3-4 months I make around 150 sandwiches with a group of 10 people at a local temple. We then pack these sandwiches in bags with other treats and send these bags to homeless centers in the East Bay so they can distribute them to the many homeless people who need a meal.
